ENVIRONMENTAL POLICY

It is the policy of Canning Conveyor Ltd :-

- seek to minimise the environmental impacts of its activities, prevent pollution and continually improve its environmental performance
- employ systems and procedures that ensure the Company's compliance with all relevant laws and regulations relating to the environment
- promote sustainable development, in partnership with its stakeholders by conserving energy, materials and resources through minimising consumption, maximising efficiency and effectively managing wastes
- provide employee training to enhance environmental awareness of the potential impacts from operations and the use of suitable control measures
- introduce Environmental Supply Chain Management to encourage suppliers to minimise the use of materials, energy or processes which may be harmful to the environment
- implement site specific safety and environmental plans
- set objectives and targets to monitor environmental performance

THE PARTICIPATION AND CO-OPERATION OF ALL EMPLOYEES IS VITAL TO THE SUCCESS OF THIS POLICY

A. Canning
